SHUTTERS. BLINDS. SHADES.

Fine print: Accounts must be in good standing to qualify. Norman® Smart motorized honeycomb & roller shades are included in this promo. For free charging wands, the surcharge will be waived. For motorized TDBU and day/night honeycomb shades, it is considered as one motorized shade. For dual roller shades, if both front & back shades are motorized, it is considered as two motorized shades. For single motor coupled shades, it is considered as one motorized shade. All orders must be confirmed and placed by December 31, 2024. Commercial, contract orders, remakes and reorders are excluded. This promo cannot be combined with any other offer. Norman Smart motorization must be selected during time of order. Different products can't be combined to qualify. Special restrictions may apply.
